SUPER HIGH IMPACT™

DOUBLE THE PLAYS, DOUBLE THE ACTION...
DOUBLE THE PROFIT POWER!!

It's a whole new ballgame! Midway's sensational new video, **SUPER HIGH IMPACT**, is built on proven success and record-setting performance. But with twice the image memory, players can now tackle the most spectacular game play features ever presented in a sports video!

1- to 4- players can choose different skill level options, measure the power of defensive stops with the HIT-O-Meter, relive plays with Instant Replay, pump up the adrenaline with Fighting Mode, compete for World Record standings, and even collect trading cards!

SUPER HIGH IMPACT is real football excitement both on and off the field. Exclusive digitized graphics literally explode off the screen, and an authentic stadium soundtrack captures all the sights, sounds and theatrics of coaches, cheerleaders, sportscasters and the stadium crowd.

And here's a video to attract repeat players season after season... Only **SUPER HIGH IMPACT** gives them their own unique access codes for lifetime statistics and standings based on won/lost records—ideal for organized league play or tournaments.

When you add **SUPER HIGH IMPACT** to your fall lineup, you've got a game that always plays to capacity crowds!
